Sarika Raichur

Partner
General Corporate

Sarika Raichur is a Partner at the firm in the General Corporate and Private Equity Practice Areas and is based in its Chennai office.

She has vast experience, spanning over 18 years, working with leading law firms and organizations including Noerr LLP, a leading pan-European law firm at its London office as a member of its India Group and an in-house legal counsel at ADM Capital, Asia's largest distressed asset private equity fund. As a member of the India Group of Noerr LLP, Sarika collaborated across their offices in Germany, Central and East European region, Russia, UK and US on M&A, joint ventures and general corporate and commercial advisory assignments involving an Indian element. As an in-house counsel at ADM Capital, she managed several turnaround investment transactions and special situation investment transactions end-to-end, including pre and post investment restructuring of portfolio companies, in close coordination with investment teams and external counsel.

Sarika advises domestic and international clients on a variety of corporate and commercial matters. She regularly advises on mergers and acquisitions (M&A), joint ventures, private equity, venture capital, venture debt, divestitures, business transfers, asset sales and fund structuring and set up mandates, besides setting up business in India, shareholders' and investment disputes and a wide range of general corporate, commercial, employment and regulatory issues.

Sarika has advised clients in diverse sectors, whether manufacturing or services including artificial intelligence, asset management, automotive, aviation, chemicals and fertilizers, chillers and heat exchange technologies, compressor technologies, cold chain, consulting, data analytics, defence, ecommerce, education, EdTech, financial services, fintech, FMCG, heavy engineering and tools, hospitality, industrial mobility solutions, infrastructure, IoT, IT and ITES, logistics, media and entertainment, portfolio management, real estate, renewable energy, retail and wholesale, SaaS, telecom, trading, transportation and mobility, textiles, tyres and wealth management.

Over the last decade, she has advised and mentored numerous prominent and innovative startups and emerging companies as well as investors across verticals on investments, acquisitions and divestitures.

She regularly engages in mentoring startups and entrepreneurs on fund raising, legal issues and strategies.
