Soummo Biswas

Partner

Banking & Finance

Soummo Biswas is a Partner at the Firm and focuses on Banking & Structured Finance and Debt Capital Markets.

Soummo has significant experience in the financing space which covers, inter alia, banking, banking advisory, structured finance, leveraged finance, real estate and infrastructure / utilities financing, stressed and non-stressed restructuring and debt capital markets (public issue/private placement), each domestically and internationally. Legal 500 in its rankings has referred to him as a partner who “attracts praise for his great understanding of sector nuances and expertise in handling complex transactions”.

Soummo has advised various Indian banks, corporates, financial institutions, funds and investors on private placement (listed and unlisted) and public issue of debenture and on bilateral, syndicated and consortium facilities in INR and foreign currency. He has been involved in several marquee transactions in the debt space including the first few debt issuances under the shelf-tranche construct. He also has a lot of experience in financial regulations both in the banking and the non-banking space including advising several domestic and international banks and financial institutions such as SBI, IDBI Bank and BNP Paribas in raising regulatory capital. He advised International Finance Corporation in its maiden issue of “Maharajah Bonds” and “Masala Bonds” and JSW and Lodha in their high yield bond issuance. Recently he has advised Piramal on the biggest real estate financing deal. He also regularly advises Indian banks, corporates and financial institutions on their foreign currency and rupee denominated bond issuances.

Soummo has acted on and led some of the most significant and complex financing transactions on both domestic and offshore debt side including on restructuring of loans aggregating to approximately USD 4.6 billion by ICICI Bank Limited and other domestic and foreign lenders to Essar Group, restructuring involving assignment of loans of KSS Petron Engineering Limited and Uttam Galva Steels Limited to Arcelor Mittal, various investments made by Piramal Group by subscription to debentures, equity instruments and credit facilities to companies forming part of the Lodha Group and also on establishment of branches and permissible activities that can be undertaken, to various foreign banks.

Soummo has also advised on the biggest matters under the Insolvency and Bankruptcy Code which have reached resolution. He advised the Resolution Professional on the resolution of Electosteel which resulted in its acquisition by Vedanta for approximately US\$ 1 billion and also advised the Committee of Creditors in the largest matter in insolvency in India i.e. Essar Steel which was acquired by Arcelor Mittal Nippon Steel for approximately US\$ 7 billion.
