# Prashant Sirohi

Partner

Infrastructure, Energy and Project Finance

Prashant Sirohi is a Partner in the Firm's Infrastructure, Energy and Project Finance practice and has extensive experience in the power, roads, ports, airports, oil & gas sectors in India.

Prashant has been involved in advising various Indian as well as multi-national companies on commercial law aspects, including drafting, structuring and negotiating various business purchase agreements, share purchase agreements, shareholders agreements, financing agreements, EPC contracts, consortium agreements, and other related legal advisory work.

Prashant has advised on a series of transactions in the oil and gas field, the gas sale and purchase as well as the gas transportation arrangements in relation to the Turkmenistan-Afghanistan-Pakistan-India pipeline project and the Iran-Pakistan-India pipeline project, which was awarded the Energy Deal of the Year by Asian Lawyer (ALM Emerging Markets Awards 2014). He also advised GAIL (India) Limited on its bidding documents for Time Charter hiring of LNG ships, and Bharat Petroleum, Indian Oil Corporation, GAIL India Limited in relation to renegotiation of their long term LNG Sale and Purchase Arrangements with Qatargas and Exxon.

On the railways side, Prashant has been involved in advising the Ministry of Railways in the development of the legislative framework for the development of High Speed Railways in India. Prashant is also currently advising Rail Land Development Authority and Indian Railways Station Development Corporation in relation to the commercial development and re-development of rail land across India. He also advised GE in relation to its successful bid and subsequent project implementation for the D-LoCo tenders of the GoI for setting up a Diesel Locomotive Factory at Marhowra, Bihar.

Prashant has also advised on large power projects across India as well as outside India. He has advised NTPC Limited in relation to a 500 MW coal based power project in Sri Lanka, and Bangladesh-India Friendship Power Company Private Limited, a joint venture of NTPC and BPDB in relation to drafting, reviewing and finalisation of tender documents for the construction (on EPC turnkey basis) of 2x660 MW maître super-critical thermal power plant at Bangladesh.

Prashant has also advised the developers of Mumbai and Delhi International Airports on various issues including infrastructure development, tariff and land monetization. He advised bidders for awards of concessions at various airports, including Chennai South, Bellary, Navi Mumbai, Margao, Ahmedabad, Thiruvananthapuram, Mangalore, Lucknow, Guwahati and Jaipur.
